STAT

MEMORANDUM FOR: Mr. Arthur Carlucci

FROM :
Chief Site Security

SUBJECT : Overtime request - Saturday 4 May 1985

REFERENCE : Attached Memo dated 1 May 1985

1. The reference requests that seven (7) employees of the Harry Peterson Company be provided access and security escort on Saturday 4 May 1985 to work on caulking the Parking Garage.

2. The following details the past work record of the ten (10) Peterson employees badged for this job:

Thursday	2 May	3 employees on site
Wednesday	1 May	3 employees on site
Tuesday	30 April	1 employee on site
Monday	29 April	2 employees on site
Saturday	27 April	No employees on site
Friday	26 April	1 employee on site
Saturday	20 April	3 employees on site
Saturday	13 April	3 employees on site
Saturday	6 April	No employees on site

3. Based upon the fact that the Peterson Company never has seven (7) men on site during the week, they never work past 3:30 PM and only three (3) employees have worked two of the past four Saturdays I do not find it in the best interests of this agency, both for security and monitoring reasons, to support this request.

4. Once the Peterson Company shows good faith and works seven (7) employees for a week a similar request for Saturday coverage will be honored.
